Enroll in an Immunization Training Module

The Texas Health and Human Services Commission (HHSC) and the Texas Department of State Health Services (DSHS) is providing an **Immunization [training module](#)** on how to address common barriers and how healthcare practices can improve immunization rates.

Enroll in the training: [Training Module: Immunization](#)

Specific Learning Objectives

The Centers for Disease Control (CDC) has an Advisory Committee on Immunization Practices (ACIP) with suggestions to improve immunization rates with Texas Health Steps (THSteps) providers and other health care professionals:

- Immunization schedules and recommendations
- Assess effective strategies for counselling parents about the importance of immunization
- Employ best practices for vaccine administration, storage, handling and reporting

Is there a continuing education credit?

Yes, after completing the Immunization training module the continuing education credit is 1.50.
